اختبار في مادة الانجليزية

المدة : ساعة

Most English people love Hyde Park, a famous place in London, and some of them almost live there.

Old people go and sit in the same place, everyday, under the same trees and feed the same pigeons.

On sunny days, a lot of people go to the park at lunch time, read for a while before going back to their offices. Some other people prefer to practise sports: so they go there to ride horses or to do some jogging.
